MIX & MATCH PROGRAM

What is it? Our exclusive mix and match program is a luxury beauty membership that provides an opportunity to visit every treatment room in our medical spa. Members receive two credits per month that they can use towards any of our 24 Mix & Match beauty & wellness treatments and services. From Botox and fillers to weight loss options, facials and laser hair removal, the membership provides endless opportunities to help you look and feel great.

Why we love it? By paying \$149 per month, members are given access to special pricing, allowing them to save money on their spa services and treatments. The Mix and Match program provides an opportunity to fully pamper yourself, without breaking the bank. If a member ever wants to cancel, the cancellation charge is only \$99. After participating in the program for 1 year, members may cancel without any fees. ****When you cancel membership any remaining credits will be switched over to a store credit****

Who is it good for? The Mix and Match program is good for everyone! Whether you are new to medical spas or a seasoned veteran, everyone benefits from the Mix and Match program. Not only do our lovely ladies enjoy the services, but many men also participate in the program as well!

Why is it great? If you are unable to come in for your monthly services, rather than expire, the credits roll over to the next month! In addition, members receive a **Free Dermaplaning or Microdermabrasion Treatment on your birthday month! The perks don't stop there, Members also receive 10% discount towards additional services and all retail products.**
